Sub: Entrepreneurship Awareness Camp at your Educational Institute.

Respected Sir,

Maharashtra Centre for Entrepreneurship Development (MCED) works as a catalyst for Developing Successful Entrepreneurs for social Advancement. Entrepreneurs are both risk takers and wealth creators. While many of them fall on the wayside, some of them create enormous wealth for themselves as well for the nation.

With shrinking organized job market and growing population of the youth, entrepreneurship has become the dire need for the country. If self - help is the best help, then self employment is the best employment and ENTREPRENEURSHIP, the most exciting level of self-Employment. In entrepreneurship, you work for yourself, achieve a target or goal set by yourself & reap the satisfaction of having achieved the goal yourself.

Entrepreneurship is not a matter of heritage, it is entirely a manifestation of such potentialities that any individual born in any caste community & class can have. As such any person having a certain set of behavioral traits and mental amplitudes in him/her can become an ENTREPRENEUR besides there is no need for such a person to be groomed from the very childhood for becoming an Entrepreneur. Even if he is grown-up, has worked on different line and has developed these traits or aptitudes, he or she can be groomed & developed as an Entrepreneur through counseling and motivational measures.

One of the best measures for motivation, counseling & awareness is training programme. Hence we appeal you for supporting us in organizing our 3 day Entrepreneurship Awareness Camp, which of course is well defined as per the enclosed details of subjects, max participation of students and the budget of EAC, objective, methodology etc.

Your consent for organizing EAC at your college of may please be conveyed to us.

Thanking you,
Yours faithfully,

Report on Infosys Study Tour, Pune

It gives me immense pleasure to present the report on 'Infosys Study Tour, Pune' organised in collaboration and special efforts with Shivaji University, Kolhapur dated 19th January, 2019. The Study Tour to Infosys, Hinjewadi Rajiv Gandhi Infotech Park, Hinjawadi, Pune was successfully organised on Saturday 19th January, 2019, which was a 'dream come true tour' for 87 aspirants of B.Com III and B.Com II class students of the college. As we all know, Infosys is an Indian multinational that provides , business consulting ,information technology and outsourcing services. It has its headquarters in Bengaluru, Karnataka but the campus which we visited was the second largest campus spread over 134 acres with 36,000 employees working thereon.

First of all the volunteer from Infosys instructed the students exploring the positive attributes of the campus and the code of conduct to be followed as a part of Infosys visitor or guest. Then we were taken towards the astonishingly large auditorium where three of the Infosys HR Managers and Executive Officers enlightened us with the 'Infosys-Work, working and work place.' Further we were offered with a delicious lunch at Food Court with capacity of 2000 approx. belonging to Infosys itself. After that the volunteer Mr. Asif was shouldered with the responsibility to make us acquainted with the Infosys campus through a drive in which we came across with the HR of Infosys and QWL prevailing over there which marks its distinctiveness.

This tour was full of soothing pleasure and pocketful of experience which definitely will be a stepping stone for the students who were a part of the study tour. Lastly, I thank Principal Dr.P.S.Gaikwad mam and Department of Commerce without whom this trip would not have been possible.
