Sub: Employability and Soft Skills Training for students of your Institute.

Dear Madam,

Greetings!

We are pleased to introduce the Naandi Foundation – Mahindra Pride School Skilling Project.A unique CSR initiative - Naandi Foundation will train, skill and help place the final year students of your college as part of their mission to skill and make employable the young men and women across the country at absolutely no cost to the college or the student.

Please find below a brief on the project.

Naandi, which in Sanskrit means a new beginning, is one of the largest and fastest growing social sector organisations in India working to make poverty history by skilling and empowering the youth of India. This is a CSR initiative of the Mahindra & Mahindra group of companies.

Naandi set up its first Mahindra Pride School (MPS) in early 2007, in support of the Government mandate for affirmative action, to empower youth from socially disadvantaged sections of society by providing livelihood training, to enable them to gain employment based on their skills.

MPShasseveralmodulesthathelpinenhancingthestudents' personality,generalawareness, groomingandcommunicationskillsinEnglish,lifeskillsandknowledgeofcomputerapplications. The life skills component of the training module completely transforms the students into confident, determined, goal oriented youth; a personality shift essential for them to pursue successful careers in the sectors of their choice.

In a bid to consistently improve and reach out to a larger audience Naandi Foundation now strives to forge new tie-ups with Universities, Colleges, ITI's and other institutions as part of our Off-Campus

b.) This will be a 40 hour program so will run for 20 days or till we complete 40 /30hours per batch. So please prepare a detailed schedule to enable us to book the trainers.
c.) You will assign a coordinator for this project who will engage with the coordinator of Naandi.
d.) You will have to share the student and placement data with us to quantify impact and we will be happy to introduce you to new employers.

Commercials:

Naandi Foundation shall conduct the training and placement assistance entirely free of charge as part of CSR from the Mahindra & Mahindra Group through their Mahindra Pride Schools.

The colleges will provide the premises, computer labs, electricity, LCD projectors, stationery, printed work sheets and other standard infrastructure.
