## About Programme

Computerized Accounting is the need of Present age. The Computerized accounting consists of accounting framework and operating procedure.

As an operational part Tally is the most popular accounting software in all over the world. It is needed to every organization. It may be Commercial or Non-Commercial organization for smooth functioning of day to day accounting activities. It is user friendly.

Tally ERP 9.4 is the latest version that gives us all facilities necessary for business. Therefore we organized one Day International webinar on 'Dimensions of Tally ERP 9.4' in collaboration with Shivaji Univeristy Commerce and Management Teachers' Association. Due to such type of a webinar, it is possible to enhance capabilities of Accountancy Teachers', Administrative Staff and Students'.
